THIS IS OUR STORY

Our story begins with four business partners: Dexter ten Hoopen, Jorge Grave, António Castel Branco, and Nuno Battaglia. They believed that by combining their unique skill sets and extensive experience in different fields, they could create a more comprehensive and all-encompassing approach to real estate.

In 2021, ten Hoopen Realty opened its office doors at Avenida dos Descobrimentos in Lagos. Since then, we have experienced rapid growth and established ourselves as a trusted and reliable partner and market leader in the highly competitive real estate industry, thanks to our young and driven team of dedicated professionals, who have played a crucial role in our success.
